What is included

White label manufacturing

Your logo on every cup, tub and stick. From a 500 L base-mix minimum.

Custom flavour development

Flavours made to your brief. The flavour recipe can be yours.

Exclusive-to-you flavours

Products made only for your brand.

Dietary variants

Sugar-free, vegan, low-calorie and high-protein formulations.

NDA for your idea

An NDA is available before you share it.

Taste before you decide

We can give you Scoopful's existing products to taste.

Good to know. Custom branding on cups, tubs and sticks is offered to white-label clients only. We do not make custom samples: custom development starts at the 500 L base-mix minimum.

How it works

From first idea to finished product.

1

Share your idea

Tell us the flavour, format and brand you have in mind.

2

Sign an NDA, if you want one

We can sign an NDA before you share the details of your idea.

3

Taste our products

We can give you Scoopful's existing products to taste.

4

Agree the flavour and quote

Pricing is quoted per litre.

5

We manufacture

From a 500 L base-mix minimum, under your brand.

6

Your logo on every pack

Cups, tubs and sticks carry your branding.

What you can ask for

- A flavour made only for your brand
- Sugar-free, vegan, low-calorie or high-protein versions
- Your own logo on cups, tubs and sticks
- A quote per litre, based on your flavour, base mix and packaging

Ready when you are. Tell us the flavour, format and batch size you have in mind and we will take it from there.
